Training, Subs.

The monthly standing orders will cover the cost of the Monday night training session at Holy Cross only. If we train on another night as planned, additional training subs will be required to cover the cost of this session. Once we have finalised a venue I will notify you all of the cost but for now we are working to ensure that it does not exceed £2 per child as you would expect.

Match Day Subs.

Match day subs for all matches both home and away will be £2 per child to cover the cost of the referees.

Match Reports

For the season 2012/2013 Steve Neave will be writing a match report to be included on the club website for each game. For weekend league and cup fixtures any scorers' names are also included for printing in the Lancashire Evening Post along with the final score.

Sponsorship

For the forthcoming season in addition to last year's home kit we will shortly be taking delivery of our new away kit kindly sponsored by Armah Switchgear Limited www.armah.co.uk.

Clothing Collections Bin

There are still clothes collection bins in the main car park and we would be grateful of any donations, with all the proceeds going to the club.

Social Networking

Don't forget, the club has joined in the social network revolution and you can now follow the club on both Facebook and Twitter. We encourage you all to 'LIKE' the Facebook page and 'FOLLOW' us on Twitter in order that we can help promote the club and its facilities to your friends and family.
