Under 15's Newsletter September 2014-2015 Season

Dear Parents and Players

The new season is upon us; tonight's friendly against Feniscowles & Pleasington concludes our pre season program. I hope that you agree with me that we have played some very good football during our friendly matches, scoring plenty, and conceding few, hopefully we can continue this into the season starting on Sunday, but always looking to improve in all areas of the game.

After our evening fixture away to Longsands next Wednesday, training will resume on Thursday evening (18th Sept) from 7:45 – 9pm, at Holy Cross High School; however, whilst we have daylight and favourable weather, we will continue to train on our pitch from 6:45 – 8pm (I will confirm each week by text on a Wednesday).

Our new training/away kit looks great, it was a bonus to bring in a new sponsor in AMS Plumbers Merchants, they have also kindly sponsored new rain jackets, we should have delivery before Sunday's game. We are also awaiting delivery of some extra green kits; I am still chasing the supplier for these.

As you are aware, we have a very large squad this season, and not everyone can play in every game. With a lot of players being involved with town teams, it is important that we have quality throughout the squad to cover any absences, injury and tiredness. With the talented squad that we have, we should be competing to win all the competitions that we are in. I fully appreciate that as talented players, the lads will always want to play; if you have any concerns regarding playing time, please speak to me.

During match day home games, as usual I would appreciate the help of parents with putting up, and taking down of the nets (no barriers needed on our pitch). For some games, home and away, we have to supply someone to run the line. In the past Callum has done this each week, he is happy to continue, however due to work commitments, he will not always be available; on these occasions I will also need the help of a parent. Player subs will be £1:50, £1 is to cover referees fees (£25 this season), and a small fee taken from the 50p from each will go to whoever is running the line! Unused substitutes will not have to pay match day subs.
